The Classic Donald Ross Course:

The progress at LuLu Country Club is ongoing! 2022 we set out to rehabilitate half the bunkers on the course and ended up resodding, sanding, and perfecting(not changing) the shape of all the bunkers. The results coming through this year are well worth the hard work. This year we will be replacing the 30+ year old irrigation system, as well as beginning the process to connect all the cart paths. We strive to keep our brand new clubhouse, completed in 2020, looking so.

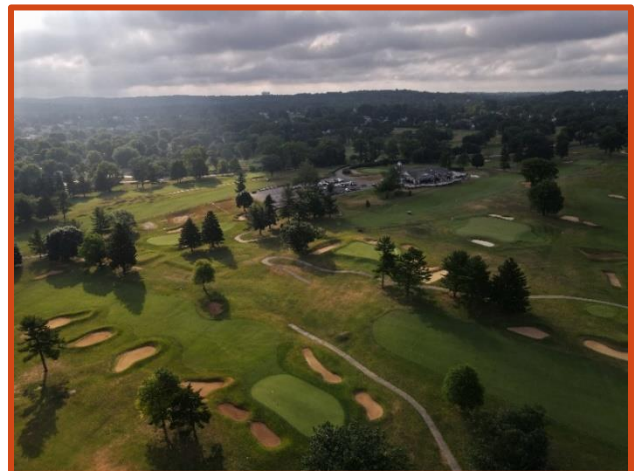

Access to tournaments, leagues, dinner specials, social events, small group play, and golf member events are all available to you with your LuLu CC Golf Membership. We schudule monthly one day member-member events, tournaments for various groups (parent/child, senior, junior, club, etc), weekly leagues for ladies, annual member-guest evetns -one for the men and one for the ladies.

LuLu provides a course, a clubhouse, and an atmosphere that compliments your golf and social life. From electric carts, knowledgable staff, professional coaches, custom club fittings, and state-of-the-art golf simulators to a fitness center and two practice areas, we have the amenities to keep your game sharp.

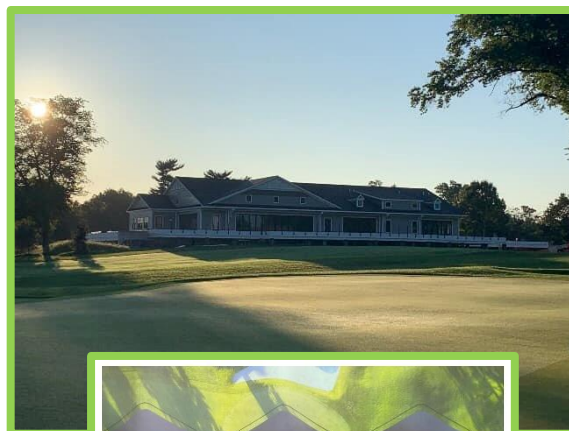

Driving Range and Practice

The driving range is included in your membership. Head over any time during golf shop hours Tuesday through Sunday. Balls will always be stocked and available. We have mats and grass to swing on. The practice green is a newer addition, complete with sand traps, and is also included. Just a short walk from the golf shop. During the season these facilities are open dawn to dusk.

Golf Simulators

With a variety of courses to choose from around the country you will enjoy swinging away no matter which one you play. The simulators monitor your speeds, distances, and calculate your game, giving you time in between holes to enjoy food, beverage, and friends. These simulators are for members and their guests and can be booked by the hour for up to 3 hours. Allowing 1 or up to 4 people to play per bay for \$40 per hour. Private parties are very popular in the simulators with the pub service readily available. During the Winter months you will be invited to participate in Simulator Leagues, with nights dedicated to both men and women.
